1	1	lot	<b>I.PROJECT TITLE : <input type="checkbox"/></b> <b>PROCUREMENT OF GOODS AND SERVICES - "PUERTO PRINCESA SPORTS DEVELOPMENT AND TOURISM PROMOTIONS EVENT ORGANIZER AND PROVIDER FOR TRIATHLON"</b>	5,440,000.00	5,440,000.00
			<b>II.INTRODUCTION</b>  <i>Puerto Princesa is the second largest city in the country in terms of geographical area, just next to Davao City, but is the least densely populated. The city has been considered as the cleanest and greenest city in the country several times and has internationally been acclaimed for its Eco-tourism. More recently, however Puerto Princesa is no longer just a haven for eco-tourism, it is now an investment destinations with a soaring economic activities.</i>		
			<i>Over all, the city is by itself a tourism and business haven. Aside from being such, it is also peaceful. In fact, it has received several awards for its clean and green as well as orderly atmosphere.</i>		
			<i>Tourism is one of the world largest industries, and it goes hand-in-hand with sports and recreation. This area combines travel, service, entertainment and wellness. By merging both activities, Sports Tourism has now become the fastest growing sector world-wide. The World Tourism Organization (WTO) predicts that Sports Tourism will be the one to show enormous potential for further development based on any study conducted that will identify and develop a full-range of niche' tourism products looking to promote strong future growth and diversification of the tourism industry.</i>		
			<i>The need for planned and consistent approach for tourism development and promotion through sports tourism is imperative hence the procurement of event management provider. Sporting tourism events not only serve as a stimulus to sport development, but also as an economic and community development tool. This will also maximize resources, build capacity for the City's sports system and optimize the benefits (social, economic, cultural) derived from hosting sports events. Also, the city will receive worldwide attention. This can motivate governments and non-governments agencies to support projects and investments made by the City.</i>
